

JOYFUL EATING
Unless your food is digested with-out the aid of the stomach, it is taken out of the body eating and living.

KI-MOIDS
are wonderful in their help to the stomach troubled with over-acidity. Pleasant to take—relief prompt and definite.

MADE BY SCOTT & BOWNE
MAKERS OF SCOTT'S EMULSION

Y. M. C. A. Meetings.
This (Wednesday) noon at the West Side Silk Mill there will be a number of stereoscopic pictures of cities of the world shown on a screen for the benefit of the employees of the mill. The pictures are to be shown under the auspices of the Y. M. C. A.

George Sherwood Eddy, widely known as a Christian leader, will be in Norwich Thursday and on Thursday evening will deliver an address at a public meeting to be held in the Community House on Church street.

How to Wave Hair to Appear Naturally Curly

The tight little curls so dear to a woman's heart, the kind that remain in curl under any and all weather conditions, are best acquired by means of the new slimmer method. This simple method enables one to have the prettiest waves and curls imaginable, with all the appearance of "Nature's own" slimmer. It is of course perfectly harmless. It leaves no sediment on the hair, nor any sticky or greasy trace. It also serves as a beneficial dressing, imparting a lively lustre and a wholesome beauty to the hair. And the hair is fine and fluffy when combed out. If one will procure a bottle of liquid slimmer from the drugist and follow the easy directions she will be pleased beyond words with the result—which will be in evidence within three hours, and which will last a long time. The liquid is easily applied with a brush.

Y. M. C. A. CAMPAIGN REACHES \$3,319

PHILIP A. JOHNSON, Captain of Team A.

Tuesday's efforts in the Y. M. C. A. financial campaign for current expenses netted \$1891, which with the \$1428 raised Monday makes the total to date \$3,319. This is an exceptional record, considering the very unfavorable weather of Tuesday. General Secretary Edwin Hill is highly elated over the success of the campaign. Every man on the teams is working hard and we expect to go over the top, he said Tuesday night.

The team captains and members gathered about the banquet table at 6:15 o'clock Tuesday night and enjoyed an excellent menu provided by the ladies of Park Congregational church. It was the largest number of campaigners yet assembled at the banquet table. Every chair was taken. During the supper an ex-soldier, E. Button, entertained with a number of piano selections.

After the supper Allyn L. Brown,

campaign director, called the gathering to order and the following team reports were chalked on the blackboard as announced by the captain:

Team	Captain	Amount
A-Philip A. Johnson	\$600
B-Frank L. Arnold	570
C-Lewis R. Church	295
D-Herbert B. Cary	325
E-N. E. Smith	100
Tuesday's total	\$1,891
Previously reported	1,428
Total to date	\$3,319

James C. Macpherson, one of the afternoon speakers, said there has never been a finer bunch of men working in the local Y. M. C. A. campaign than the present campaigners. There were brief talks by Captain H. B. Cary, Capt. Frank L. Arnold, Capt. Lewis R. Church and C. E. Carpenter.

Mrs. William H. Geer was chairman of the committee of ladies in charge of the supper. Her assistants were Mrs. Robert A. Smith, Mrs. C. N. Burdick and Mrs. Neville Bligh. The waitresses were Miss Hazel Fletcher and Miss Miriam Vaughn.

WOMEN READ PAPERS FOR MISSIONARY MEETING

The Home and Foreign Missionary Circle of the First Baptist church met for its April meeting Tuesday afternoon at 3 o'clock in the church. The president, Mrs. Herbert Willey of Asylum street.

The meeting was called to order at 3 o'clock by Mrs. Frank Lathrop, the president. The circle voted to give \$10 to the Armenian fund, also to pay its April apportionment of \$8.

The afternoon's programme was cared for by Mrs. Herbert Willey and several interesting papers were read upon the subject of the meeting. Home and Community Work. The subject of Mrs. Mary Dolbear's paper was Globe Encircling Work and Hope and Mercy. Bringing a San Francisco Chinaman into Religion was the topic of Mrs. George W. Rathbun's paper. Mrs. George Parsons read upon Field Activities. Mrs. Stephen Peckham read Elevation of Our Children. Branch of Salvation Service for Women and Children. Mrs. Charles Burke read a paper, Beneficence Being Called Home, a paper on Visiting Nurses' Work, was read by Miss Fanny Meier, and Mrs. William Koonz read The Henry House. The closing paper read by Mrs. William Gilchrist was The Service Trinity of a Community Club.

The meeting closed with the Mizpah benediction.

LEDYARD-PRESTON PUPILS TO HOLD PUBLIC CONTESTS

State Supervisor of Schools Carl R. Stone of Norwich has arranged two contests in speaking and spelling this week for pupils in towns under his charge.

Thursday at 1:45 p. m. at the Ledyard Center church pupils of the town schools will have an interesting competition. During the exercises Clifford J. Howell of Hartford is to sing.

Friday evening at 7:45 at the Preston City Baptist church there will be a contest for pupils of the town of Preston schools. Parents of the children and friends of education in general are certain to enjoy the program of exercises as prepared by Supervisor Stone.

PUTNAM
(Continued from Page Six)

cer Howard A. Elliott Tuesday. Omer has been going bad lately, staying away from school, pilfering money from those charged with his care and protection, stealing off and sleeping in such places as the railroad station, missing school and otherwise so deporting himself as to be a cause of despair for all interested in his welfare.

The child's parents have separated and are now of places unknown. Since he was three months old Omer has been in charge of friends of his family here and is now living at 35 1-2 Greene street.

Having stolen five dollars from his home Monday, he went out shopping and among other things purchased three pairs of skates, evidently having faith that winter is not yet over—as many others believe.

This act, coming after a long series of others of a discouraging nature, led to a request from Miss Eva LeDio, in whose home he lives, that he be taken away and placed in some institution. It was stated Tuesday that the boy likely will be committed to the Windham County Temporary Home for Children.

The state board of agriculture has approved the course taken by its secretary, Leonard H. Healey, North Woodstock, in opposing the daylight-saving movement. The board decided to send a telegram to Governor Coolidge of Massachusetts asking him to veto the daylight saving measure passed in that state.

Putnam was represented Tuesday at the funeral services for Rev. Clarence H. Barber, held in the Westfield Congregational church in Westfield, Mass. Rev. Mr. Barber was well known in this city, where he frequently had conducted or assisted at services at the Second Congregational church.

Several of the city's prominent citizens received a degree in Putnam lodge of Elks on Tuesday evening. The lodge has been making its drive for new members and it has been meeting with success.

It was stated Tuesday that a new biographical history of Windham county which has been in course of preparation for some time will be published in all probability during the coming fall.

Passengers arriving here Tuesday from New York and other points beyond New Haven complained of the difficulties of travel imposed by the strike.

Mrs. Clara Allard Nadeau of Pomfret, formerly of this city, has engaged in business in Daniel's Market. Democratic leaders in this territory are listening with interest to the tales of those who would control delegates from towns hereabout to the democratic state convention. These are what is known as a "Mahan" and a "Walsh" faction and each has a special plea to make.

From West Woodstock comes a tale of a hen that recently laid an egg weighing four ounces and measuring six inches in circumference and four inches in length. The hen is the property of Mrs. Frank Walker.

The Windham County Farmers' Association, together with the organizations in seven other counties in Connecticut, has started drives for additional memberships. In Windham county the goal is 450 new members. Although the drive hasn't really got under way, a half dozen new members have already been secured. The Market News Service and Exchange List are in themselves worth a great deal more than the dollar membership fee.

The following town directors are in readiness to receive the dollar membership fee from those who wish to join in their respective towns:

Ashford: Alfred B. Lincoln, Mrs. A. M. Bassett; Brooklyn: E. M. M. Marlor, Mrs. C. G. Lawton; Canterbury: Malcolm R. Witherley, Miss Grace L. Dawley; Chaplin: Frank Martin, Mrs. Frank C. Lummis; Eastford: William S. Warren, Mrs. D. S. Collins; Hampton: Jerome M. Ward, Miss Helen Gortwright; Killingly: Louis S. Barstow, Miss Jennie Bertram; Plainfield: Henry Dorrance, Mrs. Edith Kennedy; Pomfret: John R. Stromberg, Mrs. Willie Covell; Putnam: Alfred E. Harvey; Scotland: Charles F. Brenn, Mrs. Russell H. Waldo; Sterling: John E. Tanner, Mrs. William Sweet; Thompson: Joseph Baker, Mrs. George H. Nichols; Windham: C. B. Pomeroy, Mrs. Geo. A. Cook; Woodstock: S. H. Peckham, Mrs. L. H. Hestley.

At the local alleys this week, Hazen's Pets gave the All-Star team a lesson in the art of bowling, incidentally winning the match and series from the latter. The All-Star team was hopelessly outclassed and the pin drubbing they received proves the fact in a decisive manner. Getting away to a lead of thirty-eight, they soon were forced to take the dust of their faster opponents. By this victory, the Pets claim the championship of the city, and challenge any team or pick of the teams to a series match. Ryan led for the victors for high total, scoring 355, while Cutler and Reddette held high single with 805. For the All Stars, St. Onge took high single and total with scores of 125 and 341 respectively. The summary:

All Stars.			
Ryan	111	87	106—293
Rice	104	82	92—186
Dumas	123	100	96—219
St. Onge	112	126	103—241
Tatroult	95	117	116—212
546 522 507—1575			

Hazen's Pets.			
Cutler	89	130	112—331
Rivers	109	112	108—329
Ryan	126	108	122—356
Hazen	90	82	112—284
Reddette	92	106	108—306
508 549 536—1593			

Hazen's Pets won 3, lost 1; All Stars won 1, lost 3.

E. H. Snow spent Tuesday in Providence.

Work for graduation is in progress at the High school. Honor students are devoting a large part of their time to perfecting their essays. Class day parts have been assigned, and a committee is determining the senior class play.

Promoter F. H. Codier of this city has arranged the match for the Doyle-McKenna bout over which a hoodoo seems to hang. A near date has been set for the fight, and the two lightweights, which will mean the biggest thing in the world of boxing that Putnam has seen for many years. Mr. Codier has secured a fine bunch of pugilistic sphere waiting for a chance to appear at the local hall. There is a fine chance that Putnam fans will soon witness the 125 pound champion of New England in action here, which will be only an opening to the bouts that will "make Putnam known as a sport center."

One of the annual trips for the history class at the High school will soon be taken. This is a trip to Boston and a tour of the historic points surrounding the city. Another feature of the journey is an inspection of the library and museum of Fine Arts. Probably the date of this trip will be in the early part of May.

R. E. Fairbanks of Worcester was a visitor in Putnam Monday.

The tennis courts at the high school are being brought into shape, and play will commence early next week. For the first time in its history, Putnam High will have a tennis team, coached by Principal E. H. Snow. The wielders of the racquet at P. H. S.

Style Permanency Enhances Hudson's Famed Endurance

Lasting Design is the Natural Complement to the Durability of the Super-Six Motor

However mechanically good, a vast satisfaction is lost to the owner, if design changes in succeeding models mark his car out of date.

Thus style permanency must be a major factor in a car that serves for years.

Its value is exemplified by the earliest Super-Sixes, built nearly five years ago. In all essentials they are modern cars today. They are modern in appearance. They have lost none of their operating smoothness, flexibility or power. Their performance is characteristic of all Hudsons. Few would see in their looks or performance anything but a car of recent production.

Think Ahead When You Buy a Car

Time will bring you, too, the keenest appreciation of Hudson's mechanical endurance and style stability.

Usually, you will find new worthwhile ideas first in Hudson. But they must earn their place by merit. They must effect a real improvement.

Undoubtedly, thousands of Hudson owners choose it primarily for its beauty of design, its luxury and distinction of appearance.

But let nothing blind the real issue. It is performance; and endurance is fore-

most. Speed and power have their place. But they are secondary. Hudson has no cause to understate them. For it holds the stock car speed and power records. And the Super-Six motor has beaten the world's fastest racing cars, not once, but many times.

Why the Super-Six Principle Gives the Master!

The records prove it is open champion. It draws no distinction of type, size, cylinders or price. It has won against the field.

But Hudson could not hold such supremacy without some basic advantage that others cannot use.

Its dominance lies in the Super-Six motor which controls vibration. Perfection would mean a vibrationless motor, free of friction. No machinery is that. But the Super-Six motor comes within 10% of it—closer to the ideal than any other type. Nearer approach seems impossible.

In the exclusive Super-Six motor, power is increased 72%, and motor efficiency 80%. Endurance is practically doubled.

Naturally such a car is in demand. Since it was brought out five years ago, it has been the largest selling fine car in the world. This year, as in all years previous, many who want Hudsons will have to wait for delivery.

This Is National Gingham Week
GINGHAM—THE PRETTIEST SUMMER FABRIC

Throughout the United States, this week, there is being demonstrated in the most practical way, the overwhelming superiority of Gingham as a Summer Dress Fabric. Its colorings are almost without number—its prices range from the very lowest point to a highest which is within the reach of almost any purse, and its beauty is unquestioned. Our display is the largest and most select to be seen in this vicinity, and is at its best this week.

Come In and See These Beautiful Ginghams

STAPLE APRON GINGHAM

Our Price 27c a Yard
The regular price is 33c a yard, which is really low, but this week we make it a regular bargain. We show a very good assortment of checks and plaids.

REAL SCOTCH GINGHAM

Our Price \$1.00 a Yard
We have just received this line of imported Gingham and we want you to see. The texture is unbelievably fine and the plaids are the hand-somest we have seen in a long time. Colors soft, yet brilliant and most artistic in arrangement. The width is full 32 inches! The colors are absolutely fast, and the ultimate length of service is assured.

ZEPHYR DRESS GINGHAMS

Our Price 45c a Yard
The famous "Bates" and "Ivanhoe" makes, known to all. Soft in finish and 32 inches in width, they are worth a present market valuation at least 59c a yard. We show a very complete line of plaids in handsome color combinations.

ZEPHYR DRESS GINGHAMS

Our Price 59c a Yard
Finer than the Bates or Ivanhoe, they are of the same width, and the designs and colorings are even more attractive. There are many small and medium sized checks, particularly good for children's wear, and many new stripes and plaid designs as well as pretty solid colors. Something here to suit everyone.

"ELLERSLEE" DRESS GINGHAM

Our Price 79c a Yard
This is the finest of the domestic Gingham—a really beautiful weave, soft in finish, rich in coloring, and most charming in design. The variety of checks, stripes, plaids and solid colors which we are now able to offer is unsurpassed.

PRETTY DRESS GINGHAMS

Our Price 35c a Yard
They are actually worth, at this time, 49c a yard. Substantial in weave, and of good quality, a fine assortment is offered at 35c a yard during this week. The width is 27 inches, and there are many checks, plaids, stripes and solid colors to choose from.

Spring Sale of Toilet Goods This Week

The Boston Store
214 State Street

have had an interesting schedule arranged, and all are endeavoring to win the games with the opposing teams of local school to round out a championship year in athletics for the high school.
